VPO- Sarabha  
Distt- Ludhiana.

Memo no. COH/23/  
Dated:

**Subject : Result of Bacteriological analysis of water sample**

In reference to your receipt no 000041 book no. 4174 dated: 08.06.2023, Please find herewith the result (s) of the water sample tested with MPN Method.

S. No.	Sample no.	Address	Source (s)	Result
1.	1	S. K. S.S. International Public School VPO- Sarabha Distt- Ludhiana.	RO water	Potable

**Interpretations:**

**Potable Water: Fit for consumption**

Recommendations: Routine testing due after 6 months

**Non-potable Water: Unfit for consumption**

Recommendations:

- Get filtration system examined
- Use boiled water/filter water before consumption
- Notify concerned authority for redressal of the problem
- Get storage tank cleaned routinely
- Get your water retested after necessary rectifications

This department is not responsible for collection of samples.  
This report is not meant for legal purpose.  
The sample sent will not be retained/ stored beyond seven days following processing.
